

The family in a group photograph—before they have left the old fireside and gone out into the big world—Every think of it?

Nothing preserves the home atmosphere and home memories like a group picture—with father and mother in the center.

And, when the family is scattered how glad you will be that you had it done in time.

Photography almost puts this obligation on us. Make the appointment today.

Dress well it pays!

If you don't believe wearing the best clothes pays, just dress up slipshod and go strike some stranger for a job. You'll never even get to SEE him, probably, and if you do you'll get a sure TURN DOWN. The glad hand goes out to only those who appear well. It is a matter of BUSINESS to wear good clothes. Look at your OLD ONES, then come, look at our NEW ONES. You will buy.

Bring YOUR BOYS with you and let them "get the bug" early.
